Robert Latham and I drafted the attached 2 documents while in Macon yesterday.

The first document is a letter to Governor Foster confirming that Robert will be the lead on the development of the comprehensive bi-state evacuation plan. We stressed the “partnership” angle of MS and LA working together.

We also drafted the attached memo to send to the Emergency Management Directors in the I-59 and Gulf Coast counties informing them of the latest developments.

Please sign the letter and initial the memo or mark any changes that you would like made.  
Thanks!
